## ADDENDUM NO. #2

Invitation No. 16-100721 for "North and Northeast Ramp Pavement Improvements at DeKalb Peachtree Airport" is hereby modified as follows:

1. We have received questions pertaining to the above-referenced Invitation to Bid. The questions and their resulting answers appear below:

A. **Question:** Please clarify the second question of Addendum No. 1. The contractor will not have to hauling off the material excavated?

**Answer:** The contractor will not have to haul asphalt millings off of airport property. They will be stockpiled at the locations indicated in the answer to question #2. Other excavated material will be used to backfill trenches left from the drainage demo operations; however, that does not necessarily mean there will not be some excavated material (not millings) that will require hauling away for proper disposal.

B. **Question:** Do the new schedule days include the two additions?

**Answer:** There is only one addition and yes, it does.

2. All other conditions remain in full force and effect.
3. It is the responsibility of each bidder to ensure that he is aware of all addenda issued under this ITB. Please sign and return this addendum.
